Apartment under construction located in a small building with four residential units in the settlement of Lovrečica (part of a project consisting of a total of 6 buildings with the same number of units). The property is situated just 300 meters away from the sea and the organized beach in an excellent location, only a few minutes' drive from Umag and Novigrad. Air conditioning units are provided for heating and cooling in all apartments. Considering the specificity and demand of the micro-location, the apartment has great potential for tourist rental.
